## BEATTY'S PIANOS AND ORGANS.

Hon. Daniel F. Beatty, the great  
Organ and Piano man of Washing-  
ton, N. J., is busier than ever. In  
1870 Mr. Beatty left home a penni-  
less plow boy, and by his indomita-  
ble will he has worked his way up  
so as to sell so far nearly 100,000 of  
Beatty's Pianos and Organs since  
1870. Nothing seems to dishearten  
him; obstacles laid in his way, that  
would have wrecked any ordinary  
man forever, he turns to an adver-  
tisement and comes out of it brighter  
than ever. His instruments are in  
use everywhere. We are informed  
that during the next ten years he in-  
tends to sell 200,000 more of his  
make; that means a business of \$20-  
000,000 if we average them at \$100  
each. It is already the largest busi-  
ness of its kind in existence. Read  
his advertisement.
